Dear Sir:

This paper responds to the Supplemental Notice of Allowability and Examiner's Amendment mailed on November 27, 2007 resulting from a number of telephone interviews with the Examiner in November 2007, and is accompanied by the Issue/Publication Fee transmittal (part B). This Supplemental Notice of Allowability and Examiner's Amendment supersedes the Notice of Allowability and Examiner's Amendment previously mailed on October 4, 2007.

### REMARKS

In the Supplemental Notice of Allowability mailed on November 27, 2007, Claims 1-24 were allowed. The Applicant appreciates and thanks the Examiner for advancing Claims 1-24 to allowance. Applicant respectfully submits that Claims 25-38 were cancelled without prejudice to advance the present Application towards issuance. Thus, the Applicant reserves the right to re-file the subject matter recited in Claims 25-38 in any continuing application at a later time.

Applicant respectfully submits that the reasons for allowance in the Notice of Allowance may present only some of the reasons for allowance of the claims, and that other reasons may also exist for allowing the claims. This interpretation is consistent with M.P.E.P. §1302.14, which states that an Examiner's statement for reasons for allowance "is not intended to necessarily state all the reasons for allowance or all the details why claims are allowed and should not be written to specifically or impliedly state all the reasons for allowance are set forth."

If the Examiner has questions, or if Applicant can be of assistance, the Examiner is invited and encouraged to contact Applicant's representative at the below-listed telephone number.
